WONDERWINK® ULTRA

Refined Fabrics | Modern Silhouettes
Exceptional Quality

Healthcare workers work hard.

Inspired by your fortitude, we've created a beautiful line of performance-based luxury scrubs to keep you in breezy comfort during long, difficult shifts.

ULTRA's airy fabric incorporates multi-directional stretch for fluid movement and unbeatable drape. We've incorporated the latest in fabric technology to ensure that our garments retain their shape through many washings, with very little maintenance.

We've blended styling and comfort cues from athleisure apparel with the smart professionalism of medical scrubs to craft four modern silhouettes that feature clean lines and our signature utility details - without the bulk.

Experience the difference with WonderWink® ULTRA.

FIT GUIDE AND SIZE CHARTS

WOMEN'S FIT:

Revolutionizing the industry, our Women's styles are offered in True-Plus Fit sizing. Each garment is fit to comfortably contour and flatter the curves of your body. Eliminate the tugging, the pulling, and the frustration with our attention to fit details such as longer sleeve lengths, higher pant rises, and curvier hips. Find the true-fit for you!

WOMEN'S MODERN FIT:

Cut closer to your shape for a flattering and contoured look without sacrificing comfort.

WOMEN'S CLASSIC FIT:

Lightly shaped to the body for mobility and ease of movement. Comfortable and stylish in a relaxed fit.

WOMEN'S TRUE-PLUS FIT:

Fit exclusively for curvy shapes. Comfortable, flattering and unrestricted for an effortless look and feel.

MEN'S MODERN FIT:

Built for a man, this garment is cut slimmer to the body for a more modern, tailored shape.

How to take your measurements:

Bust/ Chest	Exhale, then measure under your armpits, around the fullest part of your chest and shoulder blades.
Length	We recommend Petites for women up to 5'2", Regular length up to 5'6", and Tall length for 5'7" and above / Short for men up to 5'7", Regular length up to 5'9", and Tall length for 6' and above.

Waist	Keep the tape comfortably loose and measure around your natural waistline which is the point where you bend side to side.
Hip	Standing with your feet slightly apart, measure around the fullest part of your hips. Approximately 8" below your waist.
Inseam	Measure from the crotch to the bottom of the leg.
